As you saw last month with the May PAC meeting, we are very excited to have a full executive for the 2016/17 school year. However, in all the excitement we must also bid a fond farewell to a couple of this years PAC members. Cindy Eberle (Vice President) and Michelle Scoville (Past President) both are leaving Sangster as their children move on to Middle School. We can't thank these 2 ladies enough for all their contributions not only this year but in year's past.

SCHOOLSUPPLIES

As a reminder if you'd like to take advantage of this new and exciting way to purchase your school supplies for next year the deadline of July 4th is fast approaching.

BOSTON PIZZA

Who doesn't like pizza? If you find yourself at Boston Pizza (Langford location only) be sure to write Sangster Elementary on the back of your receipt and put it in the draw box.

Our school has teamed up with Boston Pizza and each quarter we will receive 5% of the total receipts back to the PAC.

From everyone on the PAC we would like to again thank all of our amazing teachers, administrative staff, parents, grandparents and care givers who generously donated their time towards making this a fantastic year for our kids.

Wishing everyone a safe, happy and enjoyable summer.

That's a wrap folks....see y'all in September ☺
