## **Music Monday - May 2, 2016**

Dear Parents and Guardians,

On **Monday, May 2**, Sangster students (Gr. 2 – 5) **will be leaving the school by bus promptly at 8:45 a.m.** in order to get to the Q Centre (Bear Mountain Arena) for our Music Monday session with many other local schools.

**Please have your children here on time that morning.** There is no back-up plan to take late arrivals to the arena and the students will be gone until almost lunch time. Please send a clean, easy pocket snack with your child.

If your child is with another parent for that morning, please convey this information to them. Please complete the permission form below and return to school by Friday, April 22, 2016.
